Model rocket engines (20): http://www.estesrockets.com/rockets/engines/mini/1504-1-2a3-4t

In 2012, only 18% of Computer Science graduates nationwide are females. Help us promote the Science, Technology, Engineering, and Math programs, especially in High School by providing Supplies to support the Girl's Inc programs.

Elementary STEM Program Needs

- Tornado Tubes
- Lego Sets
- Lincoln Logs
- Tinker Toys
- Binoculars
- Ant Farms
- PetSMART or PETCO Gift Card

Visit <http://www.witi.com/orangecounty> for more information or contact Suzy.Jarrett@corp.witi.com

Girls Inc.® of Orange County positively changes the lives of 4,500 girls, ages 5 to 18, each year, by providing year-round holistic, compensatory, and intentional programming focusing on Science, Technology, Engineering & Math.
